EXPERIENCE

Trilogy Education Services

Type: Employee

Remote, 2021 - Current

As a Teachers Assistant for University of Charlotte coding bootcamp, I assisted the Instructor by answering student questions, grading student projects, running office hours with the other TA's, uploading class zoom recordings, and pushing code to the class repository.

Key Accomplishments:

- Wrote some code that would automate pushing new content to the class repo.

Trilogy Education Services

Type: Employee

Remote, 2021 - Current

As a Learning Assistant for Trilogy Education Services Full-Stack coding bootcamp, I assisted students with homework assignments when they got stuck. A large part of this job is debugging code and figuring out why a students code is not doing what they want to do.

Lake Wenatchee Fire and Rescue

Type: Employee/Seasonal

Plain, WA. 2020

Wildland FireFighter as well as First Responder, helped achieve a safer community through safe brush removal to protect the community against fire and air pollution. Also assisted the community by responding to 911 calls, both fire and medical as well as installing smoke detectors upon request in individuals homes.

Key Accomplishments:

- Assisted the Community
- Assisted Homeowners with safe brush removal
